SCHOOL

May 14, 2010

Dear Loyola High School Families,

After a week of rain the sun is finally shining and just in time for the dedication of the Senior Rosary Walk this afternoon. Congratulations to Ms. Elsen and the class of 2010 for leaving the school a wonderful reminder of their spirit.

Years ago when my kids were in high school our family hosted two international students. Philip from France and Filipo from Italy shared our home and table for two remarkable years. The experiences these two young men brought to our household far exceeded any cost their stays may have incurred. Phil and Filipo opened our eyes to life beyond this river valley. My oldest son got to spend a summer in Europe as a guest of Phil's family and they remain in contact to this day. Our lives were enriched in so many ways.

Loyola presently has several international students interested in spending a year as a student here. Two of them are from Germany, one from Mexico, and one from Japan. If you are interested in perhaps hosting one of these students for a year please contact Sue Rogers and she will provide you with a biography of him/her. These students provide our Loyola students with a glimpse into a larger world and create understanding that can never be learned from a book.

Blessings,

Bette Blaisdell, Principal
