FOOD SERVICE -- Can you believe that the 2009-10 school year is coming to a close? It has been an exciting year for us in the food service department. We added some healthier choices to our menu such as more fresh fruits and vegetables and whole grain products. We kept many of the old favorites like homemade spaghetti and, yes, chicken nuggets. We tasted new foods and foods from other countries during the year. As a reminder all lunch money must be paid before the end of the year. Any money left in your account can carry over to next year. You can check your account balance on line or buy calling me at 388-0612. The last week of school there will be no seconds for grades K-8. Below is a list of school days that remain and the amount that lunch will cost through the end of the year. Have a safe and fun summer. I am looking forward to seeing everyone next year. - Peggy Pettis 388-0612
